Services to be provided

With regards to investments which we have arranged for you, these **will be kept under review**. We may contact you in the future by means of an unsolicited promotion should we wish to contact you to discuss the relative merits of an investment or service which we feel may be of interest to you.

On issue of this letter any subsequent advice or recommendation offered to you will be based upon your stated investment objectives, acceptable level of risk and any restrictions you wish to place on the type of investments or policies you are willing to consider. We will issue you a suitability report to confirm our recommendation. Unless confirmed we will not place any restrictions on our recommendations.

ICONIC investments (GB) Limited does not handle clients' money. We never handle cash or accept a cheque made out to us, unless the cheque is in settlement of charges or disbursements for which we have sent you an invoice.

We will also make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. We will forward you all documents showing ownership of your investments as soon as practicable after we receive them, where a number of documents are due involving a series of transactions, we normally hold each document until the series is complete, then forward them to you.

Restrictions

Unless advised to the contrary, we will assume that you wish to place no restrictions on the types of investment we may recommend and in which you may subsequently invest. We will assume that you wish to place no restrictions on the markets in which transactions are to be executed. A full listing of products is available from your adviser upon request.

Advice and Instructions

Any advice given to you by us shall be in writing. We prefer our clients to give us instructions in writing, to aid clarification and avoid future misunderstandings. We will, however, accept oral instructions provided they are confirmed in writing. We may, at our discretion, refuse to accept instructions although such discretion shall not be exercised unreasonably. We will record all transactions on our files which, along with copies of relevant documentation, will be retained by us for a period of not less than six years. You have a right to inspect copies of contract notes, vouchers and entries in our books or computerised records relating to your transactions. We reserve the right to withhold copies of these records if information to other parties would be disclosed.

Paying for services

Not all firms charge for advice in the same way. We will discuss your payment options with you and answer any questions you have. We will not charge you anything until you have agreed how we are to be paid. We have listed below the options available to you.

Paying by fee. Whether you buy a product or not, on completion of our work, you will pay us a fee for our advice and services. If we also receive commission from the product provider when you buy a product, we will pass on the full value of that commission to you in one or more ways. For example, we could reduce our fee; or reduce your product charges; or increase your investment amount; or refund the commission to you.

We will confirm the rate we will charge in writing before beginning work and we will tell you if you have to pay VAT. You may ask us for an estimate of how much in total we might charge. You may also ask us not to exceed a given amount without checking with you first

We are fee based advisers and can be paid in two ways, either by an hourly charge or through a percentage of the investments that we actively manage. Our typical charges are shown below:

Hourly Rate

Principal/Director Financial adviser
Administration

£150 per hour
£70 per hour

Please refer to the additional sheet for an explanation of our percentage charge, as the charge will depend on the amount that is invested.

The maximum percentage charge will be 3% and this is then reduced dependant on the amount invested.

Example:

If £50,000 is invested then this will incur a charge of £1,500. The initial charge will reduce for funds above this level.

Ongoing reviews and administration: We provide an ongoing wealth management service and this can be provided for a fee . This will range from 0.75% to 1% dependant on the level of service agreed.

Paying by commission (through product charges). We only take commission on Protection products and this is explained below.

If you buy a financial product, we will normally receive commission on the sale from the product provider. Although you pay nothing up front, that does not mean our service is free. You still pay us indirectly through product charges. Product charges pay for the product provider's own costs and any commission. If you buy direct, the product charges could be the same as when buying through an adviser, or they could be higher or lower. We will tell you how much the commission will be before you complete an investment, but you may ask for this information earlier.

For example:

- If you pay **£100** per month towards a whole of life policy then we would receive **135% of the first 12 month's payments (£1,620)** in form of initial commission

The commission noted above includes payment for any ongoing service such as a periodic or ongoing review.

Material Interest

We will act honestly, fairly and professionally, known by the FSA as conducting business in 'Client's best interest'. Occasionally situations may arise where we or one of our other clients have some form of interest in business transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

In accordance with the rules of our regulator, The Financial Services Authority, we are prohibited from accepting any payment (commission or other non-monetary benefits) which is likely to conflict with the duty of the firm to its clients.

The principals of **ICONIC investments (GB) Limited** have a minority shareholding in Capital Reward Ltd. Capital Reward Ltd is a subsidiary of our compliance support company and generates its income from the placement of business with certain product providers. The business placed is intended to add value to the shares in that company and the long term aim is for the shares to be sold, thereby providing a deferred cash benefit to the shareholders. The existence of the shareholding and any potential benefit will in no way influence our recommendation in relation to the most suitable product or provider.

On request we will be pleased to provide you with a list of the providers from whom such benefits may be earned. We can also confirm that the provision of the shares and their potential benefits **do not affect your product terms.**

Right to Cancel

We will inform you of your statutory right to cancel. The Distance Marketing Directive normally grants you 30 days in which you may cancel a life or pension contract. However there will be occasions where no statutory rights are granted, however this will be explained before any contract is concluded.
